# Yusol International Foods expands recall of OLA-OLA POUNDED YAM

The Centers for Disease Control and Prevention says Yusol International Foods expanded a recall of OLA-OLA POUNDED YAM due to undeclared milk allergen labeling.

If you have a milk allergy or are sensitive to milk ingredients, this may affect you. The recall was expanded because OLA-OLA POUNDED YAM was missing milk allergen information on the label.

The issue involves sodium caseinate, a milk derivative. Product sizes included in the expanded recall are 2lbs, 4lbs, 5lbs, and 10lbs.

The CDC notice says Fayus Inc., dba Yusol International Foods (Sacramento, CA) is responsible for the expanded recall.

No specific next steps were included in the provided notice text.
